Example — 8-school Ministry program

Eight schools, Grow tier (all), Jamaica, 1 report, ~300 respondents, with the combined report and benchmarking: membership US\$28,000 + per-school reports US\$6,600, less 65% country + 20% volume; combined report US\$2,550 + benchmarking US\$250 → **all-in ≈ US\$12,488 (≈ J\$1.97M), ≈ US\$1,561 per school.**
